# Summary Report on Terrorism Against Israel 2024

Photos: Israel Police and Israel Fire and Rescue Authority

# Main Trends and Data

2024 was characterized by a large number of high-trajectory attacks against Israel. Approximately 15,400 rockets were launched from Lebanon and crossed into Israel, and approximately 700 rockets were launched from the Gaza Strip and crossed into Israel. 55 people were murdered and 699 people were injured as a result of high-trajectory fire.

In 2024, there were 132 shooting attacks which resulted in 41 people murdered (including 13 hostages who were murdered this year in Hamas captivity with their bodies returned to Israel). In total, 108 people were injured (57 with minor injuries, 28 with moderate injuries and 23 with severe injuries).

In 2024, there were 41 stabbing attacks which resulted in 9 people murdered and 28 injured (8 with minor injuries, 10 with moderate injuries and 10 with severe injuries).

There were 26 car-ramming attacks which resulted in 6 people murdered and 86 injured (57 with minor injuries, 16 with moderate injuries and 13 with severe injuries).

# Types of Terrorist Attacks in 2024:

**Total  
Attacks  
in 2024  
18,665**

UAVs

Rocket/mortar/  
anti-tank fire

Molotov  
cocktail

Stone  
throwing

Shootings

Vehicle-rammings

Stabbings

Explosive  
devices

Throwing objects/  
arson/tire burning

Assaults

Attacks are each listed as a single incident. For example, in an incident involving an explosive device, several explosive devices may have been used, and the incident will be listed in the report as a single incident.

\* Clarification: Rocket/mortar firing - the figure refers to the number of rockets fired into Israeli territory according to the IDF Spokesperson's Office. Approximately 7,000 incidents were recorded in the terrorism summary report.

\*\* Reported data was collected from the IDF Spokesperson's Office, Israel Fire and Rescue Authority, Israel Police, Magen David Adom and local councils.

\* UAVs that crossed into Israeli territory.

# Number of Victims in Terrorist Attacks in 2024

1,227 Injured  
134 Murdered

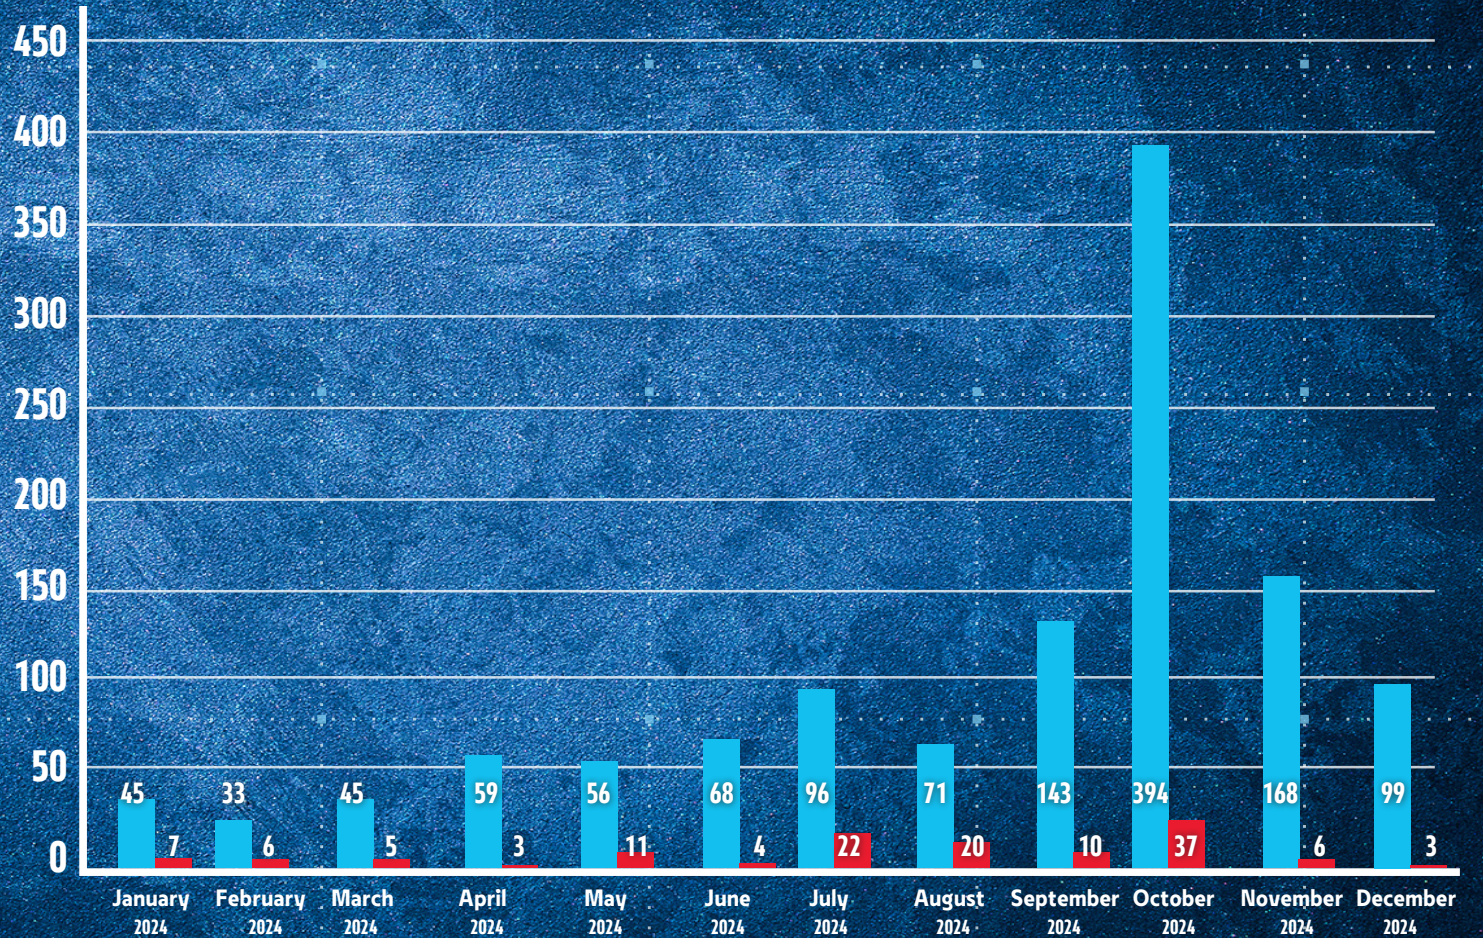

Photo: Israel Fire and Rescue Authority
